Inspiring Abilities. Enriching Lives.

Early Learning, Child Care and Family Resources

Together with families and community partners, Early Learning Child Care and Family Resources at KW Habilitation works to help children and youth in Waterloo Region thrive in licensed child care programs.

WHAT WE DO

As a proud member of the Special Needs Resourcing Collaborative, we support the needs of all children from 0-12 years of age who have a social, emotional or developmental need attending licensed child care programs in Waterloo Region.

Our role is dependent on the need of the children, families and the ELCC program. Committed to promoting healthy child development, we believe in a wholistic approach to ensure full participation in the child care program.

Resource Consultation, Enhanced Staffing, and Volunteer and Student Placements are some of the things you can expect when we are in a classroom, program, or home child care.

REFERRALS

To make a referral, visit the referral tab on the Special Needs Resourcing Collaborative website (**www.snrcwaterlooregion.ca**) and go through the "Decision Tree".

A SNAP Coordinator will review your referral and connect you with the most appropriate services to support your child's participation in a child care program.
