

Acknowledgement of Support Services

Waterloo Region's Special Needs Resourcing Collaborative (SNRC) supports licensed child care programs to identify and meet the diverse needs of all children and their families. All children, regardless of their abilities, are supported to thrive in quality inclusive early learning environments.

As a licensed Early Learning Child Care in Waterloo Region, our program is fortunate to be supported by Resource Consultants and Therapists from the SNRC. The Resource Consultants and Therapists visit and observe our program and provide resources, training and support to our team. Consultation is provided to support all children in the group on topics related to children's development, developmental and/or behavioural strategies, classroom management, classroom environment and other general program strategies.

As members of our team, all Resource Consultant and Therapists follow specific confidentiality policies and are aware of our behaviour guidance policies. Should you have any further questions regarding the role of the Resource Consultant or Therapist, our Supervisor/Director, Resource Consultant or Therapist would be happy to review this with you.

I acknowledge that the support services provided by the Waterloo Region's Special Needs Resourcing Collaborative have been reviewed with me, and they will be a valuable support to the program my child attends.
